Please see letter dated 17.7.54 from the Vice President of the Saurashtra B.C. Board. He has suggested therein a sort of reciprocal arrnagement whereby B.C. students in Saurashtra can get admission to B.C. hostels in the Bombay State and vice versa. A similar prop sal has been made by Shri P.L.Mazmudar in his letter at ps. 9-11/c. The reciprocal arrangement has been suggested because of the peculiar position of the Amreli Distt. which consists of pockets situated in the Saurashtra Terriotory.

2. The reciproc l arrangement of the type proposed in these pps. can be agreed to only if it is advantageous to this State or if it is at least not likely to put this State in a less favoura le position. It will be seen from the D.B.C.W.'s letter that not only is this State not likely to derive any advantage under the propos -ed arrangements, but it will in fact be placed in a less favourable position. The proposed reciprocal arrangements may not therefore be agreed to

This ... of the arrangement is proposed entirely wrong & misleading

3. It is also for orders whether the question should be placed before the B.C.Bd. as directed by Dy,M(BCD)

This may be placed early please before the Backward Class Board. The noting on pre-page does not correctly interprete what is meant to be done. There is going to be a receprocal arrangement and in case any State send more pupils to the other States Backward Classess Hostels etc. it would pay for such additional admission to that State. The note to be placed before the Backward Classes Board should correctly explain what is proposed to be done. The office note on pre-page is mis-leading. The inference, drawn therein are not warranted by the procedure that is to be adopted

These ~~proposals~~ PPS deal with the proposal made by the Vice-President, Backward Class Board, Government of Saurashtra reg. admission of 50 Sheduled Class students from Saurashtra in hostels in the Bombay State on reciprocal basis i.e. on the condition that the Saurashtra Government would agree to admit 50 Sheduled Caste students from the Bombay State in hostels maintained in the Saurashtra State. The proposal was placed before the Backward Class Board in its 67th meeting held on the 30th November, 1954 at Ahmedabad. Continued from Page 4.

The reciprocal arrangement may be as follows:-

(1) 50 Backward Class students from Saurashtra may be admitted to B. C. hostels in this State and may be given the facility of free boarding and lodging available to B.C.students in this State. In case they join Govt. hostel their entire expenditure will be borne by Govt. If they join hostels maintained by Vol. agencies, the Vol, agencies w ll receive grant at the sanctioned rate.

(2) Similar facilities should be given by the Saurashtra Govt. to 50 students from this State desirous of joining B.C. Hostels in Saurashtra. enjoining the concessions under the reciprocal arrangement is smaller than the no. of Bombay students in Sourashtra. the Saurashtra Govt. will pay to this Govt. the expenditure which this Govt. will have to incur on these additional students. The converse will hold true if the no. of Bombay students in Saurashtra is more.

2. Shri C.N.Joshi may be requested to obtain the official concurrence of the Saurashtra Govt. to the above proposal and communicate to this Govt. at an early date. As regards condition (3) the respective State Governments need ~~ascary~~ pay only if the difference in the no. of Students is faidy large say in excess of 25/- fo the no. of students from the State which has to make the payment.

2. These pra deal with the proposal made by the Vice-President , B.C. Board, Govt. Of Saurashtra reg. admission of 50 S.C studints from Saurashtra in the hostels in the Bombay State on reciprocal basis id. on the condition that the Saurashtra Govt. would agree to admit 50 S.C. students from the Bombay State in hostels maintained in the Saurashtra State. The B.C.Board considered the proposal in its meeting held on 30 -11-1954 and opened that there was no objection to accept the proposal. The Vice-President, B.C. Board, Govt. of Saurash -tra was asked to obtain the official concurrence of the Saurashtra Govt. to the proposal (vide Govt. letter dated 15-1-1955 at p29-30/c) The Saurashtra Govt has approached this Govt. with a request to delete condition no 3 in the Govt. letter dated 15-1-1955 at p29-30/c (vide letter ~~Govt.~~ dated 6-5-1955 from the Govt. of Saurashtra at p.51/c) In view of what is stated by the Govt. of Saurashtra in their letter at p-41/c it is for orders whether condition no 3 in Govt. letter at p 29-30/c should be deleted .

Msp/17/7

Condition No)3) is important. It will be seen from the D.B.C.W.'s letter at p.13/c that the number of B.C.students of this State desirous of availing of hostel facilities in Saurashtra is not likely to be large as compared to the no. of B.C.students from Saurashtra wishing to be admitted to B.C.hostels in ~~this State~~ Amreli District of this State. If this condition is deleted, our State may be put in a less favourable position. The question whether this condition should at all be inserted was specifically considered and Govt. decided to retain it after careful consideration. It is, therefore, for orders whether the condition should be deleted as sugrested by the B.C.Board, Saurashtra. If it is to be deleted the F.D. will have to see.

2. The Saurashtra Govt. has decided to admit 50 student. from the Bombay State in hostels in Saurashtra and to pay them stipends at the sanctioned rates. If expects the Bombay Govt. to take similar action, i.e. admit 50 students from Saurashtra to B.C. hostels in the Bombay State and defray the Expenditure. on these students. This is the reciprocal arrangement envisaged by the Govt. of Saunashtra.

3. Attention is invited to para. 2 of the D.B.C.W.'s letter at p 13/c . It will be seen therefrom that the no. of students from Saurashtra seeking admission to Bombay hostels i likely to be ~~at a disadvantage in the proposed reciprocal arrangements~~ many, (xxxxx

more than Vice versa. We are, therefore, likely to be at a disadvantage in the proposed reciprocal arrangement. It was for this reason that condition No.3 in G.L at p 29/c was imposed. The object of this condition was that if students from Saurashtra Residing in Bombay hostels is more or vice versa. the Saurashtra or Bombay Govt., as the case may be, will defray the expenses of these additional students. Apparently the Saurashtra Govt. is not in favour of this condition.

This stand was taken as recently as 30.12.55 vide G.L. R.H.& B.C.D. No. BCH 2254/58892-E dt. 30.12.55 on p. 75 c/s. The R.H.& B.C.D. has now changed its mind and proposed to give reciprocal concession being given to 50 B.C. students from Saurashtra without insisting on condition (3) of the G.L on pg.29,30 c/s. This change of mind is due to the report of Saurashtra Govt. that many Bombay students in Saurashtra are getting the benefit of this concession. The no. of such students taking the benefit is, however, not given. The F.D. may agree to the proposal of the R.H.& B.C.D. Subject;- Admission of Scheduled Caste students of Saurashtra in the hostels in Bombay Stste.

Reference Go-vt. Endorsement, E.D., No.BCH.2254/-41136-J dated the 30th July 1954, forwarding for my remarks a copy of letter No.BCO/54-2901 dated 17-754 from the Vice-President, Backward Class Board, Government of Saurashtra Addressed to the Deputy Minister for Backward Classes, Bombay, relating to the above subject.

2/- The Amreli District is scattered as pockets in Saurashtra - Kadinar Taluka in the South, Okhamadal taluka on the west, Ghoga Taluka in the east and the rest of the talukea in the south-eastmportion of Saurashtra. Ranpur in Dhanduka Taluka of Ahmedabad District is also a pocket in Saurashtra. At present there are two Backward Class Hostels in the Amreli district,viz., one at Amreli and the other at Dwarka. Backward Class candidates from this District can take advantage of these two hostels. Similarly, Backwward class students from Ranpur, which is a pocket in Saurashtra, can take advantage of the Hostel at Khanduka which is hardly 16 miles from Ranpur. Hence no difficulty is felt in this respect by the Backward Class students of that area of this State , which are pockets in Saurashtra. Moreover, as all types educational concessions are available in this state to the Backward class students, + also all types of of educational insitutions exist in this state, it seems unlikely that the Backwards Class students from the Bombay State may desire to get admission in the hostels in that State. It may be that the Scheduled Caste students from Saurashtra wish to get admission to the hostels in the Bombay State.

3/- If there rare any students originally from Saurashtra, but have settled down in tho Bombay State permanently, and if they belong to the communities which are classified as Backward in this State, such cases can be considered on the production of domicile certificates from Magistrates. Similarly, the original Bombay State Backward Classstudents who have settle down permanently in that state may get the concession in thst State,

4/- According to the present Rules for payment of grant-in-aid to Backward Class Hostels (Rule 4(vii) only belong the inmates belonging to the Bombay State are eligible for grant. If any such exception egven for 50 Scheduled Caste students from Samrashtra is made for one State, other neighbouring States may also make similar requests. It will be an unnecessary burden on the State funds.

5/- As already directed by Government in their endorsement under reference, the question will be included in the agenda of the next meeting of the Backward Clss Board + view of the board thereon will be communicated to Govt in due course.

The Director of Backward Class Welfare explained that the proposal emanted from the Vice-President Backward Clss Board, Saurashtra. Extart from the minutes of the meeting of the Backward Class Board held at Ahmedabad on the 30th November 1954.

Proposal No. 1 regarding admission of 50 ~~xxxxx~~ Bac ward class students of Saurashtra State in the Backward Class Hostels of the Bombay State and vice versa was taken pp for consideration. The director of Backward Class Welfare explained that the proposal emanated from the Vice-President, Backward Class Board, Saurashtra. He also made the point clear that in case the Saurashtra State sends more pupils to this State, it would pay for such additional number of students to this State and similarly, if this State sends more pupils to the Backward Class Hostels in Saurashtra it will have to pay for the same. After discussion the following resolution was passed.

"Resolution No. 1 :- Having considered carefully the proposal of the Vice- President, Backward Class Board, Saurashtra, regarding the admission of 50 Backward Class students of the Saurashtra State in the Backward Class Hostels of the Bombay State and viceversa, this Backward Class Board is of opinion that there would be no objection to accept the proposal."

Sir,

I am directed to refer to your letter No.BCH.2254/73938-J dated the 15th January 1955 on the subject mentioned above and to state that the Saurashtra Government has no objection to agree to the conditions No. 1 and 2 mentioned in the said letter. It would, however, not be appropriate to insert Condition No. 3. In fact it is not necessary to insert this condition in view of the conditions No. 1&2 because, Saurashtra Government accepts that it will bear expenditure of students numbering up to 50; the Government of Bombay should also similarly accept that it will bear expenditure for an equal number of students from Saurashtra. Satisfactory arrangements from the accounts and administrative point of view can be made only if the condition No. 3 is deleted. If there is the question of payments of expenditure as mentioned in the said condition perhaps it would not be necessary to enter into a reciprocal arrangement as such facility can be availed of by both the Governments of their own accord.

In the circumstances, I am to request that the Bombay Government may kindly agree to the condition No. 3 being deleted. On receipt of your reply, final concurrence of this Government will be conveyed.

I wish to draw your attention to your letter No. BCH/ 2254/73938 J, Education Department dated 15-1-55 and also to the letter No. Actt/BCD/55-56/II 4500 dated 6-5-55written by the Government of Saurastra (to you) agriculture Co-operation department dated 6-5-55. When recently I had been to Saurastra I discussed the matter with the minister concerned and I hope you will agree to delit the third condition mentioned in your letter to the vice-President B.C. Board Saurastra and as requested by the Saurastra Government I may inform you ~~you~~ that if you remember the whole question was raised by me because as the villages of Amreli District which is in Bombay State are interwoven in three separate groups in Saurastra and the arrangement is mutually advantageous to B.C. boys residing in both areas and specially those residing in parts of Amreli District. I may inform you that the month of May is already going and unless this question is solved in time the whole year will be unnecessarily wasted and it will injure the interest of our B.C. boys.

Please therefore take immediate action and oblige.

Thanking you.

Sir,

I am directed to refer to your letter No.BCB/55/8719 ~~719~~ dated October 1955, on the subject mentioned above and to state that the Government of Bombay notes with satisfaction the fact that the Saurashtra Govt. has agree to pay the stipend at the sanctioned rate upto 50 B.C. students of this state admitted to the Hostel in the Saurashtra State. As regards the question of Bombay Govt. taking similar action, as already explained earlier in G.L, No BCH2254/73938-J, dated 15-1-1955 this Govt is agreeable to the maximum limit of 50 B.C students subject to the condition No 3 mentioned in that letter. The object of t is condition is that if students from Saurashtra residing in Bombay Hostels is more or vice versa. the Saurashtra or Bombay Govt. as the case may be, will defray the expenses of these additional students. Apparently the Saurashtra Government is not in favorur of this conditon, You will appreciate the need for retentin of the condition inasmuch as the State Govt. having more students from the other State Govt. will have to spend more thus depriving its own deserving students of the concessions. I am therefore, to request you to kindly move the Govt. of Saurashtra to agree to the condition and communicate its concurrence to this Govt. at an early date.
